

It's early morning, you just got to work and found your computer not working and the last thing you want to do is get back into Atlanta traffic to get it repaired.

**ACPC, INC. Provides professional on-site service so you don't have to come to us, *We Come To You.***

ACPC can handle most services on-site like:

- \*Slow computers due to viruses or spyware.
- \*Networking and Internet issues.
- \*Remote Backup service

Hardware Sales, Repair and upgrades.

ACPC recommends using remote backup for critical files so you won't look like this guy when the hard drive fails.

ACPC will assist you in setting up a local back-up program or we can setup remote back-up offsite in case of fire or theft. What you never want to do is to input your work twice and that's what happens when you lose data.

**Free Initial Visit and Estimate**  
 Now through June 1st, let ACPC, Inc. become your on-call IT Dept. One free visit for new business or home clients. If we find work needs to be performed it is free for the first hour. Additional hours will be discounted if there are more than one computers to worked on. Call Today!

Expiration: 06-1-2010 **ACPC, INC.**

**ACPC leaves you running smoothly.**
